

Dear Communion Calling Ministry Volunteer,

Thanks for participating in this most important ministry. It certainly is in the Lord's top ten. Then the King will say to those on his right, "Come, you who are blessed by my Father; take your inheritance, the kingdom prepared for you since the creation of the world...I was sick and you looked after me"...The King will reply, "I tell you the truth, whatever you did for one of the least of these brothers of mine, you did for me." (Matthew 25:34-40)

These individuals rely on us to fulfill this ministry, and should you not be able to serve on your assigned day, please make *arrangements to cover your absence.

1. *Use this schedule to locate and contact one who is able to exchange days.
2. *If unsuccessful in making arrangements, contact Brengle Waldron @ 631-0276 and leave a message.

Reminder cards are mailed on Monday during the week prior to your assigned Sunday, however, for various reasons; you may not always receive them in a timely manner. Should you lose this schedule, it can be accessed @ <http://www.fccconnect.org/communion> calling, or by contacting the church office and requesting one to be resent.

Please return the communion kits and information cards no later than Friday, as they are needed to prepare for the next Sunday's routes.

Certain individuals' status may change during a week; however, we may not always receive current or complete information card in a timely manner. You may want to verify the information by calling the location listed. If you discover different information than listed on the card, please note those changes on the card. Make every attempt to make contact (including leaving a message for a return call) with the individual; however, there are times when contact cannot be accomplished. If unable to make contact, just leave a note on the card - you do not need to drive to a location where you could not confirm that the individual would be present.

May the Lord bless you for your service to Him.

In His service for you,

Brengle Waldron (937) 631-0276
